Charles Town to Offer Guaranteed Pick 4 on Sprint Festival Card May 20, 2012

(Charles Town, WV) – In addition to 6 stakes worth a total of nearly \$750,000, Hollywood Casino at Charles Town Races will also offer a Guaranteed \$25,000 All-Stakes Pick 4 covering races 7 through 10 on its June 30th Charles Town Sprint Festival card.

The wager covers the final four stakes races on the Sprint Festival card and requires bettors to select the winner of those four consecutive races. By virtue of guaranteeing the Pick 4, Charles Town will supplement the difference in the gross pool if less than \$25,000 is wagered.

The guarantee comes on the heels of the track's successful \$50,000 All-Stakes Pick 4 on Charles Town Classic night this past April. That Pick 4, which saw an average pool size of \$61,358 over the first three runnings of the event, ballooned to \$159,056 when the guarantee was added in 2012 – an increase of nearly 160%.

The Charles Town Sprint Festival program will feature 11 races with the first scheduled to go off at 6:00pm EST. The Guaranteed \$25,000 Pick 4 commences in Race 7 and ends with the Red Legend, which is scheduled to go postward at 10:30pm. The Red Legend, with its purse of \$400,000 stands behind only the \$500,000 Kings Bishop (G1) on the list of richest three-year-old sprints in the country.
