HIGH HAND RULES: High hand clock begins one hour prior to the above start times. Aces full minimum with both hole cards used. (Jacks full on Super High Hand promotions) Winners must have a my**choice** card to receive a payout for all promotions. If no winner, hourly prizes rollover. If rollover extends beyond promotion hours, sudden death occurs with the first qualifying hand winning the prize. If there is no sudden death winner by midnight, the unclaimed prize and all rollovers are returned to the promotional fund. In the unusual event of a tie (two players on the same table with an identical hand that wins the high hand), each player receives the full prize amount.
