

What We Do:

- ACT was formed in 2013 to help Charles Town horsemen find homes for horses ending their racing careers.
- So far we have helped place over 100 Charles Town horses.
- ACT is funded through a \$2 per racing start paddock fee approved by the Charles Town HBPA and also by private donations.

Aftercare Charles Town

*Helping Charles Town
racehorses
find their next home*

How it works:

- **If you have a horse you need to place:**
Call, text, or send us an email.
Phone: 304-616-1334
Email: tbaftercare@gmail.com
- **We will let you know the options:**
We help place horses into safe situations only. Many of the horses we have helped place have gone to Aiken Equine Rescue in South Carolina. We are constantly working to establish a broader network of safe placement options.
- The availability of placement options depends on where space is available and the specific details of the horse being placed. We are not able to guaranty placement.
- **We will help by paying transportation costs and placement fees, as necessary, so long as we have funds available.**

Eligibility Requirements:

1. Horses having more than 10 lifetime starts must have a minimum of 7 of their last 10 starts at Charles Town.
2. Horses with 3 to 10 lifetime starts must have made 70% or more of their lifetime starts at Charles Town.
3. Horses with less than 3 lifetime starts must have trained at Charles Town and received their gate card at Charles Town.
4. Male horses must be geldings.
5. Horses must be approved by the Board as suitable for placement.

Horses not meeting the above criteria may apply for acceptance and will be considered on an individual basis by the Board.
